

## Brief Information

About the book “Compilation of the anti-corruption documents, laws, degrees, enactments and international conventions”

The book titled “Compilation of the anti-corruption documents, laws, degrees, enactments and international conventions” had been published by Azerbaijan Young Lawyers' Union (AYLU) with the close assistance of the Commission on Fighting Corruption under the State Council on Public Service Management with the financial support of ABA CEELI.

The Advisor of the book is the Chairman of Standing Commission of the Milli Medjlis (Parliament) on Legal Policy and State Building Ali Houseynov, Editor of the book is the Chairman of AYLU Nadir Adilov and Editor Assistant is the Leading advisor of the Section on work with law enforcement of the Presidential Office of Azerbaijan Republic Inam Karimov.

The book consists of compilation of the anti-corruption documents, laws, degrees, enactments and international conventions. However, the book also contained a comparative analyzing research of domestic and international legislation on anticorruption written by Leading Advisor of the Military and Administrative Legislation Department of Milli Medjlis Eldar Askerov.

The book is considered for the practitioners of law enforcement bodies, NGOs, law students, scientists and other interested people and consists of 356 pages.

The presentation of the book will be conducted by AYLU at the International Press Centre on August 5, 2005 at from 10.00 to 12.00. Representatives of governmental structures, Parliament, law enforcement bodies, NGOs, people working on anticorruption problems and other interested people will take part at the presentation of the book.
